Vision of the Institute

To carve a brighter prospect for the nation through excellence in technical education for fostering skills, ethical values and environmental consciousness among girls while undertaking existing and forthcoming challenges.

Mission of the Institute

- * To nurture technical and creative skills through quality education
- * To strengthen industries interaction
- * To impart real life problem solving skills
- * To promote care for sustainability of environment and social responsibility

Vision of the Department

- To be a center of excellence for girls in Information Technology by preparing them to be efficient problem solvers, innovators and entrepreneurs in the ever dynamic IT field as well as to empower women by providing roadmaps that foster professionalism, humanism and social responsibility.

Mission of the Department

- To provide excellent field related technical knowledge and skills
- To foster interpersonal and leadership skills through co-curricular and extracurricular activities and thus develop a thirst for 'lifelong learning' among students
- To create a vibrant and an intellectually stimulating environment for students to empower them for real world problem solving.

Head of the Institute
