Vision of the Institute

To carve a brighter prospect for the nation through excellence in technical education for fostering skills, ethical values and environmental consciousness among girls while undertaking existing and forthcoming challenges.

Mission of the Institute

- To nurture technical and creative skills through quality education.
- To strengthen industries interaction.
- To impart real life problem solving skills.
- To promote care for sustainability of environment and social responsibility.

Department Vision

To instill technical skills among young girls through excellence in education and develop them as competent computer professionals to take forth coming challenges with moral values, environmental and societal consciousness.

Department Mission

- To impart quality education through facilities like infrastructure, equipments and tools for strengthening academic and technical skills.
- To enhance industry institute interaction to create awareness on emerging trends and technologies.
- To cultivate a sense of social responsibility through awareness and acceptance of ethical and strong moral values.
